PNT 5 SELF CONTAINED TOWER

It has an internal air compressor that works on demand and dispenses the use of oil and external air compressor. This tire gauge eliminates the high cost of installation, maintenance, space.

TECHNICAL SPECIFICATION

Setting Pressure: 4 to 70 PSI (0.3 to 5 BARS)

Precision: 1% FS

Voltage: 110 or 220 Vac (by request)

Compatible: Air and nitrogen

IP-54 (water and dust resistant)

Warranty: 1 years

1" Display with internal and external led light

Steel cabinet with electrostatic painting

Stainless steel keyboard (optional)

INCLUDED ITEMS:

PNT 5

It is the benchmark of the market due to its classic and modern design. This gauge has been sold in more than 20 countries and is the best-selling in the world.

TECHNICAL SPECIFICATION

Setting Pressure: 4 to 145 PSI (0.3 to 10 BARS)

Precision: 1% FS

Voltage: 110 or 220 Vac

Compatible: Air and nitrogen

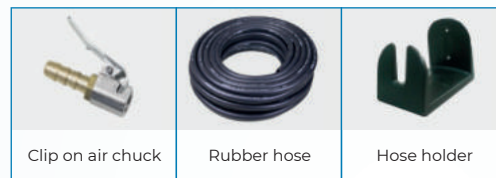

IP-54 (water and dust resistant)

Warranty: 2 years

1" Display with internal and external led light

Stainless steel keyboard (optional)

INCLUDED ITEMS:

Optional: Coil hose

PNT 5 PEDESTAL

Developed to resist all different kind of weathers, and can be installed in places exposed to rain or extreme high temperatures.

TECHNICAL SPECIFICATION

Setting Pressure: 4 to 145 PSI (0.3 to 10 BARS)

Precision: 1% FS

Voltage: 110 or 220 Vac

Compatible: Air and nitrogen

IP-54 (water and dust resistant)

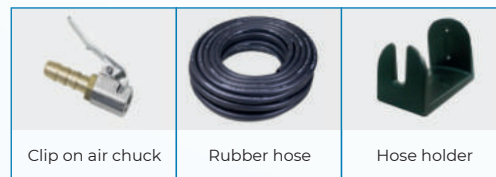

Warranty: 2 years

1" Display with internal and external led light

Steel pedestal with electrostatic painting

Stainless steel keyboard (optional)

INCLUDED ITEMS:

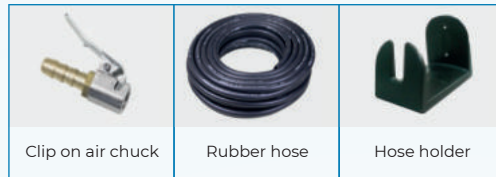

Optional: Coil hose

PNT 4

It offers the best cost benefit of the market, meeting all the requirements of a quick and precise calibration.

INCLUDED ITEMS:

Optional: Coil hose

TECHNICAL SPECIFICATION

Setting Pressure: 4 to 145 PSI (0.3 to 10 BARS)

Precision: 1% FS

Voltage: 110 or 220 Vac

Compatible: Air and nitrogen

IP-54 (water and dust resistant)

Warranty: 2 years

1" Display with internal led light

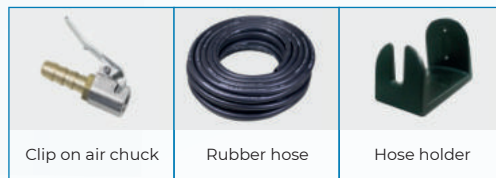

Stainless steel keyboard (optional)

PNT JUMBO

It is an extra robust tire gauge, super sturdy up to predation attempt, great for heavy environments, with additional hose and electrical protection.

INCLUDED ITEMS:

Optional: Coil hose

TECHNICAL SPECIFICATION

Setting Pressure: 4 to 145 PSI (0.3 to 10 BARS)

Precision: 1% FS

Voltage: 110 or 220 Vac

Compatible: Air and nitrogen

IP-54 (water and dust resistant)

Warranty: 2 years

1" Display with internal led light

Aluminum case with electrostatic painting

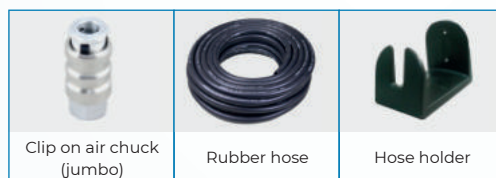

Stainless steel keyboard (optional)

PNT HIGH FLOW / AEREO

To fulfill all the requirements of the calibration process of large vehicles, this tire gauge is the most powerful of the market. It is recommended to calibrate tires of aircraft, hangars, tractors and among other heavy vehicles.

INCLUDED ITEMS:

TECHNICAL SPECIFICATION

Setting Pressure: 4 to 160 PSI (0.3 to 11 BARS)

PNT High Flow : 4 to 300 PSI (0.3 to 20 BARS)

PNT Aereo

Precision: 1% FS

Voltage: 110 or 220 Vac

Compatible: Air and nitrogen

IP-54 (water and dust resistant)

Warranty: 1 year

1" Display with internal led light

Stainless steel keyboard (optional)
